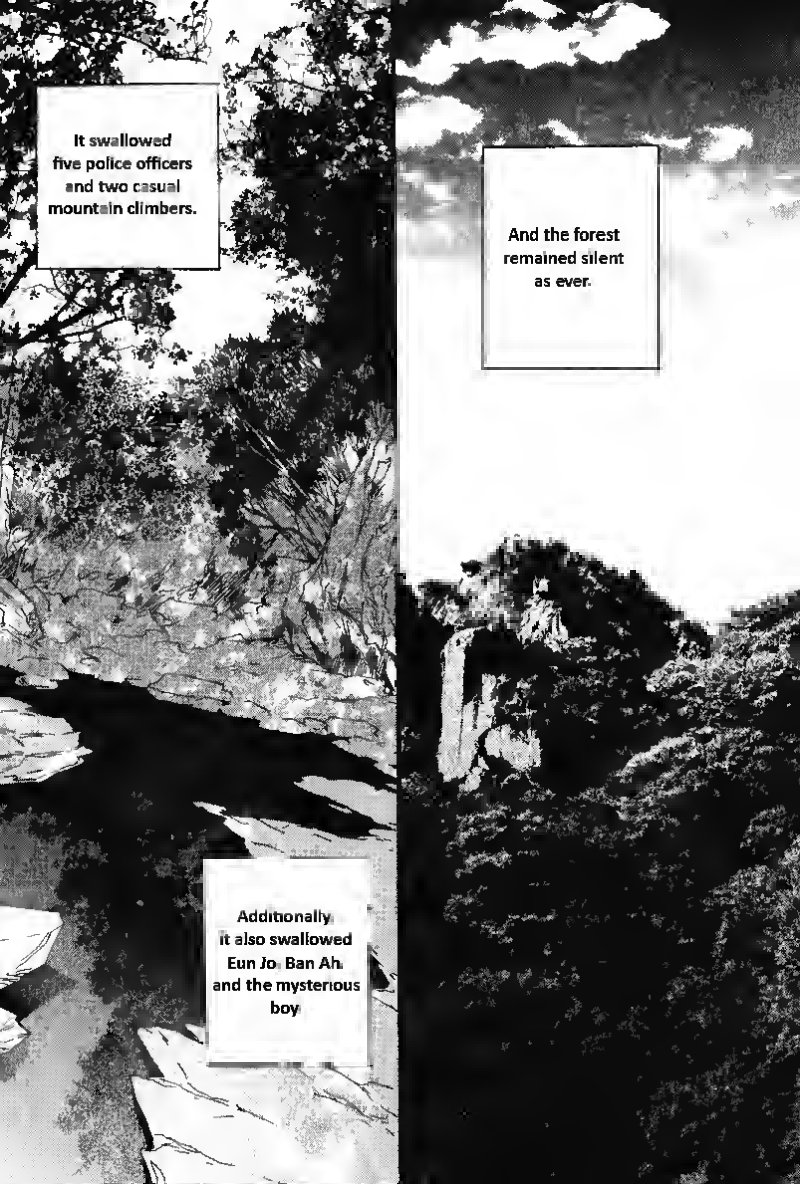
The forest was deeper than we thought.
It's time for us to leave for the day.
The sun is going down.
We don't have a lot of options but to withdraw.

Actually, I want you to go home. I am not saying we are giving up on the search.
We will continue to do what we can.
We will contact you when there is something new.
The forest swallowed everyone.



It swallowed five police officers and two casual mountain climbers.

Additionally, it also swallowed Eun Jo, Ban Ah, and the mysterious boy.

Don't you think so as well, Si-Yeal?! Hey ?
Dude, what's wrong?

Hey, shouldn't we call police or something?
What's going on ?
Over there.

A girl of your age shouldn't be here.
We have our car parked nearby. We can take you home.
Come with us.
What pervs.
Hey, guys, can't you do something?
Seriously? It will only cause troubles.
